Journal of the Institute of Education

Theorie der feinen Leute

The third in a series of Cedefop publications dealing with technical aspects of the European Qualification Framework and European Credit Transfer System, this book analyses current practice in countries that have made progress with evaluating and defining competence. It proposes a typology of knowledge, skills and competence, to be used not as an instrument of 'harmonisation' between countries, but as a template to enable comparison. The aim is to promote mobility in every sense, bringing work-based learning and knowledge acquired in higher education closer together.

Changing Faces of Adult Literacy, Language and Numeracy

Der Reichtum Der Nationen

This is the third of the new Lifelong Learning: Personal Effectiveness Guides by Rosalie Marsh which draw from her extensive skills & industrial experience in sales management and work-based learning in adult and further education. It is a step in the personal and professional development journey where development of the whole person is at the heart of Marsh's ethos. In two parts, Skills for Employability - designed to read in bite-sized chunks - will focus on some of the skills you need in order to impress an employer, stand out from the rest, become employed, and enhance your future. Part One looks at the pre-employment skills needed. Part Two looks at what you need to know when you move into employment. Each chapter details the learning outcomes and relevance to other qualifications such as Functional Skills. Through short practical activities, you will be able to see how far you have 'travelled' in gaining knowledge and understanding, which in turn will add to a sense of achievement. Part One: Pre-employment looks at those skills for the future which include: ? Preparing for work. ' Job applications and a successful interview. ' Working effectively in the workplace. ' ICT skills in the workplace. Some of the benefits of Skills for Employability. Pre-Employment: User-friendly. Can work at your own pace. Raised self-esteem and confidence. An increased awareness of the standards of behaviour and requirements of employers. An awareness and understanding of the business environment. Who is this book for? School leavers; 16-18 yr old unemployed; returners to work; learners seeking a change of employment, wishing to enhance their prospects or, are between jobs. Aimed at the Home Learner and Someone who is unable to attend formal courses. To fill gaps in underpinning knowledge and skills needed to 'get on in life'. www.discover-rosalie.com

Philosophical Foundations of Adult and Non-formal Education

Dieses auf vier Bände angelegte Werk ist eine Geschichte der "Institution Universität" in Europa von ihrer Entstehung im Mittelalter bis in die heutige Zeit und zugleich eine vergleichende Geschichte der europäischen Universitäten sowie der außereuropäischen Universitäten, die nach europäischem Muster gegründet worden sind. Es wird auf Initiative der europäischen Rektorenkonferenz (CRE), der über 500 wissenschaftliche Hochschulen in 27 europäischen Staaten angehören, von einem internationalen Komitee namhafter Wissenschaftler unter dem Vorsitz von Walter Rüegg (Schweiz) herausgegeben. Absicht dieses Gemeinschaftswerkes ist es, die gesellschaftlichen Rahmenbedingungen und Aufgaben, die Merkmale geistiger und institutioneller Identität, die Strukturen, Gestaltungen und Hauptprobleme der europäischen Universitäten in ihren geschichtlichen Grundlagen und Veränderungen, aber auch in ihren regionalen Unterschieden, auf dem heutigen Forschungsstand vergleichend und zusammenfassend darzustellen.
